

COMPLETAREA PROFILULUI ORCID

Indicarea adresei **ORCID** este obligatorie. La realizarea paginii **ORCID** a fiecărui autor trebuie să se completeze cât mai multe câmpuri, dar neapărat următoarele rubrici: **Biography** - important pentru afiliere, **Works** - pentru articole, **Other IDs** - pentru profilul științific ResearcherID (Web of Science - Clarivate) și Scopus, **Websites & social links** - pentru profilul Google Scholar, **Keywords** - pentru cuvintele-cheie ale specializării sale și **Country** - pentru țară.

În **Template-ul** de la secțiunea **Ghidul autorului** de pe site-ul revistei sunt două exemple de completare corectă a paginii ORCID.

În cadrul paginii **ORCID**, fiecare dintre aceste rubrici poate fi completată folosind opțiunea **Edit**.

The screenshot displays an ORCID profile with several sections. On the left, a sidebar contains categories: **Websites & social links** (with links to Google Scholar and ResearchGate), **Other IDs** (with ResearcherID: AAN-1428 and Scopus Author ID: 55600), **Keywords** (with e-Business, e-Commerce, Supply Chain Management, Logistics, Retail, Shopping Behaviour), and **Countries** (with Romania). The main content area includes: **Names** (with a name field), **Biography** (with a detailed text about the author's role at Bucharest University of Economic Studies), **Activities** (with a section for **Employment (1)** at Bucharest University of Economic Studies, Bucharest, RO, from 2005 to present as an Associate Professor). Red circles highlight the edit icons for each of these sections, and red arrows point from the text above to these icons.

De asemenea, este important ca aceste secțiuni/informații să fie **vizibile**.

În cadrul secțiunii **Works**, publicațiile pot fi adăugate manual sau folosind celelalte variante indicate în imaginea de mai jos.

The screenshot displays the 'Works' section of an ORCID record. The 'Works (32)' header is circled in red. Below it, there are controls for selecting items and an 'Actions' dropdown. A specific work is shown with its title, date, and DOI. The 'Add' button in the top right corner is also circled in red, and its dropdown menu is open, showing options: 'Search & link', 'Add DOI', 'Add PubMed ID', 'Add BibTeX', and 'Add manually'.

De asemenea, este recomandat să fie **vizibile** pe pagină toate lucrările autorului.

The screenshot shows two publications in an ORCID profile. The first publication is titled "Exploring the Advantages of ..." and is from the "Journal of Theoretical and Applied Electronic Commerce Research", dated 2023-08-21. The second publication is titled "EXPLORING M-SHOPPING ..." and is from "Transformations in Business and Economics", dated 2022. A dropdown menu is open, showing visibility settings for "All items in this group". The "Everyone" option is selected and circled in red. Other options include "Trusted parties" and "Only me". A link for "More information on ORCID visibility settings" is also visible.

La secțiunea **Websites & social links** se recomandă indicarea link-ului pentru profilul **GoogleScholar**, precum și pentru alte pagini web unde se regăesc publicații sau alte informații relevante privind profilul științific al autorului.

The screenshot shows the "Websites & social links" section of an ORCID profile. The section title is circled in red. Below the title, there are two existing links: "Google Scholar" and "ResearchGate", both with a green visibility icon. The "Other IDs" section shows "ResearcherID: AAN-1428" and "Scopus Author ID: 55600". The "Keywords" section lists "e-Business, e-Commerce, Supply Chain Management, Logistics, Retail, Shopping Behaviour". The "Countries" section lists "Romania". The "My links" section shows a new link being added: "Google Scholar" with the URL "https://scholar.google.ro/citations?user=AcTkyq8A...". The visibility for this link is set to "Everyone" and is circled in red. There is also a "ResearchGate" link with the URL "https://www.researchgate.net/profile/". At the bottom, there is a "Save changes" button and a "Cancel" button.

La secțiunea **Other IDs** trebuie să figureze link-urile pentru **ResearcherID (Web of Science - Clarivate)** și **Scopus**.

Other IDs

Other identifiers, also called Person identifiers, are unique IDs that systems such as ISNI and Scopus use to identify you. These identifiers can only be added to your record by trusted organizations you have connected to ORCID.

Este necesar să fie permisă sincronizarea între aceste pagini web aferente profilului științific. Pentru aceasta se accesează secțiunea **Trusted Parties** din cadrul meniului profilului **ORCID** (dreapta sus în cadrul paginii web, în dreptul numelui) de unde se va seta **permisiunea** pentru acestea, după cum se poate observa în imaginile următoare.
